MANAGEMENT INFORMATION CIRCULAR
FOR THE ANNUAL GENERAL MEETING OF SHAREHOLDERS TO BE HELD ON APRIL 8, 2021

IN LIGHT OF THE UNPRECEDENTED PUBLIC HEALTH IMPACT OF THE COVID-19 PANDEMIC AND GOVERNMENT RESTRICTIONS ON GATHERINGS, THE CORPORATION IS ATTEMPTING TO MITIGATE THE RISKS TO THE HEALTH AND SAFETY OF ITS COMMUNITY, SHAREHOLDERS, EMPLOYEES AND OTHER STAKEHOLDERS BY STRONGLY ENCOURAGING SHAREHOLDERS TO EXERCISE THEIR RIGHT TO VOTE ON THE MATTERS SCHEDULED TO COME BEFORE THE MEETING BY SUBMITTING PROXIES OR VOTING INSTRUCTIONS IN ADVANCE OF THE MEETING RATHER THAN ATTENDING THE MEETING IN PERSON. WE THANK ALL PARTIES AFFECTED FOR THEIR UNDERSTANDING.

MANAGEMENT SOLICITATION

This management information circular dated February 23, 2021 (the “**Circular**”), is furnished in connection with the solicitation of proxies by the management of Avivagen Inc. (the “**Corporation**”) for use at the annual general meeting of the shareholders of the Corporation (the “**Meeting**”) to be held on April 8, 2021 at 10:00 am Eastern Time, at the offices of the Corporation at 100 Sussex Dr., Ottawa, Ontario, Canada K1A 0R6 for the purposes set out in the accompanying notice of meeting (the “**Notice of Meeting**”). This solicitation is made by management of the Corporation. It is expected that the solicitation will primarily be by mail. Proxies may also be solicited personally or by telephone by regular employees of, and by agents engaged by, the Corporation at nominal cost. The cost of solicitation will be borne by the Corporation.

Except as otherwise stated, the information contained herein is given as of February 23, 2021. In this Circular, all references to dollar amounts are to Canadian dollars, unless otherwise specified.

The Board of Directors of the Corporation (the “**Board**”) has fixed the close of business on February 23, 2021 as the record date (the “**Record Date**”) for the Meeting. Only holders of common shares of the Corporation (each a “**Shareholder**” and collectively, the “**Shareholders**”) of record as at 5:00 pm Eastern Time on the Record Date will be entitled to receive the Notice of Meeting and related documents and to vote at the Meeting or at any adjournment or postponement thereof, but failure to receive such Notice of Meeting does not deprive Shareholders of their right to vote their shares at the Meeting.

The persons named in the enclosed form of proxy will have discretionary authority with respect to any amendments or variations of the matters of business to be acted on at the Meeting or any other matters properly brought before the Meeting or any adjournment or postponement thereof, in each instance, to the extent permitted by law, whether or not the amendment, variation or other matter that comes before the Meeting is routine and whether or not the amendment, variation or other matter that comes before the Meeting is contested.

REGISTERED SHAREHOLDERS – VOTING BY PROXY

The persons designated as proxyholders in the enclosed form of proxy for the Meeting are officers of the Corporation.

A registered holder (each a “Registered Shareholder”) of common shares of the Corporation (the “Common Shares”) has the right to appoint some other person or company, who need not be the persons designated in the form of proxy or a Shareholder, to represent the Shareholder at the Meeting by striking out the names of the persons designated in the accompanying form of proxy and by inserting such other persons or company’s name in the blank space provided or by executing another proper form of proxy.

Completed forms of proxy must be received by Computershare Trust Company of Canada, the transfer agent of the Corporation, at Computershare Investor Services, Proxy Department, 9th Floor, 100 University Ave., Toronto, Ontario, Canada M5J 2Y1 not later than 10:00 am Eastern Time on April 6, 2021 or may be accepted by the Chairman of the Meeting

prior to the commencement of the Meeting. The Chairman of the Meeting may waive or extend the proxy cut-off without notice. The form of proxy also provides details on how you may submit your proxy by telephone or internet.

The form of proxy affords the registered Shareholder an opportunity to specify that the Common Shares registered in his or her name shall be voted for, against or withheld from voting in respect of the matters to come before the Meeting, as applicable.

On any ballot that may be called for, the Common Shares represented by proxy will be voted or withheld from voting in respect of the matters to come before the Meeting in accordance with the instructions of the Shareholder on such ballot, and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

In respect of proxies in which the Shareholders have not specified instructions to the proxyholders designated therein to vote for, against or withhold from voting in respect of the matters scheduled to come before the Meeting, the Common Shares represented by such proxies will be voted “for” the matters described in the Notice of Meeting.

Management knows of no matters scheduled to come before the Meeting other than the matters referred to in the Notice of Meeting. However, if any other matters which are not now known to management should properly come before the Meeting, the Common Shares represented by proxies will be voted on such matters in accordance with the best judgment of the proxyholders designated therein.

A proxy given by a registered Shareholder for use at the Meeting may be revoked at any time prior to its use. In addition to revocation in any other manner permitted by law, a proxy may be revoked by an instrument in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. Any such instrument revoking a proxy must be deposited at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or an adjournment or postponement thereof, or be deposited with the Chairman of the Meeting on the day of the Meeting, or any adjournment or postponement thereof. If the instrument of revocation is deposited with the Chairman on the day of the Meeting or any adjournment or postponement thereof, the instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such proxy.

NON-REGISTERED SHAREHOLDERS – VOTING INSTRUCTION FORM

Only registered holders of Common Shares or the persons they appoint as their proxies are permitted to vote at the Meeting. Many Shareholders are “non-registered” Shareholders (“**Non-Registered Shareholders**”) because the Common Shares they own are not registered in their names but are instead either (i) registered in the name of an intermediary (the “**Intermediary**”) that the Non-Registered Shareholder deals with in respect of the Common Shares, such as, among others, brokerage firms, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs, TFSA and similar plans, or (ii) in the name of a clearing agency (such as the Canadian Depository for Securities Limited) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators (“**NI 54-101**”), the Corporation has distributed copies of the Notice of Meeting, this Circular and the enclosed form of proxy (collectively the “**Meeting Materials**”) to Intermediaries and clearing agencies for onward distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries often use service companies to forward meeting materials to Non-Registered Shareholders. If you are a Non-Registered Shareholder, your name and address will appear on the voting instruction form sent to you by your Intermediary. A Non-Registered Shareholder may vote or appoint a proxy in accordance with the voting instruction form. Your Intermediary, as registered holder, will submit the vote or proxy appointment to the Corporation on your behalf. You must submit your voting instruction form in accordance with the instructions and within the time limits set by your Intermediary. If you or a person you designate plan to attend the Meeting and vote, you must appoint yourself or that person as proxy using the voting instruction form.

Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the voting instructions form is to be delivered.

A Non-Registered Shareholder may revoke a voting instructions form given to an Intermediary by contacting the Intermediary through which the Non-Registered Shareholder’s Common Shares are held and following the instructions of the Intermediary

respecting the revocation of voting instructions. In order to ensure that an Intermediary acts upon a revocation of voting instructions, the written notice should be received by the Intermediary well in advance of the Meeting.

These Meeting Materials are being sent to both Registered Shareholders and Non-Registered Shareholders. If you are a Non-Registered Shareholder, and the Corporation or its agent has sent these materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

NOTICE-AND-ACCESS

The Corporation is sending proxy-related materials to Shareholders using notice-and-access. Notice-and-access is a set of rules for reducing the volume of materials that must be physically mailed to Shareholders by posting this Circular and additional materials online and providing Shareholders with a notice stating where such materials are available. Shareholders will still receive the Notice of Meeting, and may choose to receive a paper copy of this Circular and other materials. Details are included in the Notice of Meeting. This Circular, the Notice of Meeting, a form of proxy, the audited annual financial statements of the Corporation for the year ended October 31, 2020 and the MD&A relating to such financial statements are available on SEDAR at www.sedar.com and on the Corporation's website at <http://www.avivagen.com/investors/>. Shareholders are reminded to review these online materials prior to voting.

The Corporation does not intend to pay for Intermediaries to forward to objecting beneficial owners under NI 54-101 the proxy-related materials and Form 54-101F7 -- Request for Voting Instructions Made by Intermediary, and that in the case of an objecting beneficial owner, the objecting beneficial owner will not receive the materials unless the objecting beneficial owner's intermediary assumes the cost of delivery.

To the knowledge of the directors and executive officers of the Corporation, no person or company beneficially owns, or controls or directs, directly or indirectly, voting securities carrying more than 10% of the voting rights attached to any class of voting securities of the Corporation.

GENERAL MATTERS

STATEMENT OF EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

This compensation discussion and analysis describes and explains the Corporation's policies and practices with respect to the compensation of its named executive officers, being each of the Chief Executive Officer ("CEO"), the Chief Financial Officer ("CFO"), and the Chief Scientific Officer ("CSO") (each, an "NEO" and collectively, the "NEOs").

Objectives of the Compensation Strategy

The Corporation's executive compensation philosophy is to provide competitive compensation to attract and retain talented staff capable of achieving the Corporation's strategic and performance objectives. The CEO and CFO compensation is fixed. Consistent with this philosophy, the primary objectives of the Corporation's compensation program for its NEOs are:

- to attract and retain talented, high-achieving executives who will contribute to the success of the Corporation and increase of long-term Shareholder value;
- to motivate the executive management team to meet and exceed operating targets and long-term strategic goals; and
- to align the interests of management and the Corporation's Shareholders by emphasizing performance-based compensation that recognizes individual and corporate performance, and which helps increase long-term Shareholder value.

The compensation program seeks to align management interests with Shareholder interests through long-term incentives linking compensation to performance. The long-term incentive may be in the form of stock option grants which create a direct correlation between variations in the Corporation's stock price and the compensation of the NEOs.

Corporate Governance and Compensation Committee

The Corporate Governance and Compensation Committee is tasked with (i) reviewing and studying compensation and compensation policies for the Corporation; (ii) reviewing the goals and objectives of the CEO at the beginning of each year and providing an appraisal of the CEO's performance for the most recently completed year; and (iii) reviewing the performance of the senior officers of the Corporation including the level of long-term incentives awarded to each. The compensation for all remaining executives is determined in accordance with the terms of their employment agreements, and otherwise by the CEO.

Elements of Executive Compensation

Compensation of the Corporation's NEOs for the financial year ended October 31, 2020 included the following components:

- base salary; and
- long-term incentives in the form of stock options granted pursuant to the Corporation's stock option plan (the "**Option Plan**").

The Corporation believes that these elements of compensation, when combined, provide an appropriate mix of conventional and incentive-based compensation. The base salary, on the one hand, provides for a stable income while the incentive compensation under the Option Plan recognizes longer-term contributions and aligns management and Shareholder interests.

In establishing base salaries and granting stock options to the NEOs, the Board considers the executive's performance, level of expertise, responsibilities and length of service to the Corporation. Although no formal benchmarking policy is in place for determining compensation or any element of compensation, the Governance and Compensation Committee conducted a benchmarking exercise in respect of compensation of NEOs for fiscal 2020. See the section of the Circular entitled "*Benchmarking*". Prior grants of stock options to the NEOs are considered in granting new options.

Compensation Risk

The Board considers and assesses, as necessary, the implications of risks associated with the Corporation's compensation policies and practices and devotes such time and resources as it believes are appropriate given the Corporation's size and straightforward method of executive compensation. The Corporation's practice during the fiscal year ended October 31, 2020 of compensating its officers through a mix of base salary and long term incentives was designed to mitigate risk by: (i) ensuring that the Corporation retains such officers; and (ii) aligning the interests of its officers with the short-term and long-term objectives of the Corporation and its shareholders. During the fiscal year ended October 31, 2020, the Board did not identify any risks arising from the Corporation's compensation policies and practices that the board believed were reasonably likely to have a material adverse effect on the Corporation.

Financial Instruments

Except where prohibited by law, the Corporation's executive officers and directors have not been prohibited from purchasing financial instruments, such as prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by an executive officer or director. To the Corporation's knowledge, no executive officer or director of the Corporation has entered into or purchased such a financial instrument.

OPTION BASED AWARDS

In establishing levels of stock option grants to be issued to the NEOs, the Board considers the executive's performance, level of expertise, responsibilities and length of services to the Corporation. The Corporation's Option Plan is described in detail below.

The Audit Committee has a defined mandate and is responsible for reviewing and overseeing the external audit function and reviewing and recommending for approval to the Board all public financial disclosure information such as financial statements, MD&As, annual information forms and prospectuses. The Audit Committee also oversees the independence of the external auditor and pre-approves all permitted non-audit services to be conducted by external auditors.

A copy of the Audit Committee's charter is attached as Appendix "A". The Corporation, as a TSX-V issuer, is relying on the exemption in Section 6.1 of NI 52-110, exempting the Corporation from the requirements of Part 3 and Part 5 of NI 52-110.

The auditors of the Corporation are McGovern Hurley LLP, Toronto, Ontario. McGovern Hurley LLP was first appointed auditors of the Corporation for the 2018 fiscal year. Prior to McGovern Hurley LLP, PwC Canada was the auditor of the Corporation for the October 31, 2017 fiscal year.

As at October 31, 2020, no director, executive officer, senior officer, employee, any proposed nominee for election as a director or any of their associates or former director, executive officer, employee or any of their associates were indebted to the Corporation.

DIRECTOR AND OFFICER LIABILITY INSURANCE

The Corporation provides insurance for the benefit of its directors and officers against liability incurred by them in these capacities. The current aggregate policy limit for the Corporation's insurance policy is \$5,000,000 with deductible amounts of \$25,000 with respect to corporate reimbursement and securities claims payable by the Corporation. The aggregate annual premium paid by the Corporation in the financial year ended October 31, 2020 was \$26,508 for a \$5,000,000 corporate policy held for the benefit of the directors and officers. The term of the policy was twelve months and ended on October 31, 2020. The Corporation renewed its insurance policies effective November 1, 2020 for a twelve-month term.

CORPORATE BANKRUPTCIES

To the knowledge of the Corporation, none of the individuals proposed for election as directors is, as at the date of this Circular, or has been, within 10 years before the date of this Circular, a director, CEO or CFO of any company that, (i) was subject to an order that was issued while the proposed director was acting in the capacity as director, CEO or CFO or (ii) was subject to an order that was issued after the proposed director ceased to be a director, CEO or CFO and which resulted from an event that occurred while that person was acting in the capacity as director, CEO or CFO.

Except as set out below, to the knowledge of the Corporation, none of the individuals proposed for election as directors is, as at the date of this Circular, or has been within 10 years before the date of this Circular, a director or executive officer of any company that, while that individual was acting in that capacity, or within a year of that individual ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

In 2012, G. F. Kym Anthony became the chairman of the Board of Directors of PCAS Health Services ("PCAS") after its filing for creditor protection under the *Companies' Creditors Arrangement Act* ("CCAA"). PCAS subsequently successfully completed its restructuring proceedings under the CCAA and is still operating today.

To the knowledge of the Corporation, none of the individuals proposed for election as directors has, within the 10 years before the date of the Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

CORPORATE GOVERNANCE DISCLOSURE

INDEPENDENT DIRECTORS

Four out of the six current directors on the Board, namely Aubrey Dan, David Hankinson, Jeffrey Krawns, and Paul Mesburis, are considered independent directors as they do not, in the view of the Board, have a relationship with the Corporation which could be reasonably expected to interfere with the exercise of their independent judgement, nor are they deemed under NI 52-110 to have such a relationship with the Corporation. G. F. Kym Anthony is not considered independent as he is the CEO and President of the Corporation. Dr. Graham Burton is not considered an independent director as he is the Chief Scientific Officer of the Corporation. At its meetings, each of the Board and Audit Committee has an opportunity to hold an *in-camera* session without the presence of management or non-independent directors.

Assuming six of the proposed directors who are running for election are elected at the Meeting, four of the six directors on the Board, namely Aubrey Dan, David Hankinson, Jeffrey Krawns, and Paul Mesburis, will be considered independent.

DIRECTORSHIPS ON OTHER BOARDS

Except as disclosed below, none of the current members of the Board serves as a director of any other reporting issuer.

Mr. Kraws currently serves as Director of Saleen Automotive, Inc. and Chairman of the Board of Directors of Synthetic Biologics Company.

ORIENTATION AND CONTINUING EDUCATION

The Board has determined that it is an unnecessary use of resources for the Corporation to formally develop an orientation program for new members at this time. To date, the Corporation has not developed or identified a need to develop a continuing education program for its directors at this time.

ETHICAL BUSINESS CONDUCT

The Corporation is committed to conducting business in an ethical manner. To that end, the Board has adopted a code of conduct (the “**Ethics Policy**”) which requires all directors, officers, employees and consultants to conduct the business of the Corporation in strict compliance with both the letter and spirit of all applicable laws and in full adherence with the highest standards of business integrity and ethics. The Corporation has no knowledge of any breach of the Ethics Policy.

In addition, the Board has adopted an insider trading policy, internal control policy, delegation of authority policy, ethics policy, health and safety policy, information technology policy, a drugs, alcohol, and medication policy, and an anti-bribery and anti-corruption policy to provide a framework to foster and encourage a culture of ethical business conduct.

NOMINATION OF DIRECTORS

The Board has traditionally had a low turnover rate so the Corporation has not adopted formal policies aimed at identifying and recruiting new candidates. When considering new members for the Board, the Corporation’s management and members of the Board consider the skills and experience of the existing directors, identify any gaps while taking into account the Corporation’s strategic direction and changing needs, identify the strengths in a director that would benefit the Board and then seek out individuals from within their networks who may possess such strengths.

COMPENSATION

Compensation for the directors and the CEO is reviewed and determined by the Corporate Governance and Compensation Committee. The Corporate Governance and Compensation Committee is composed of Aubrey Dan, David Hankinson, Jeffrey Kraws, and Paul Mesburis, each of whom is independent and has experience in, among other areas, business management and human resources. Mr. Dan serves as Chair of the Committee. The Corporation believes that the members of the Corporate Governance and Compensation Committee have the necessary skills and experience necessary to make decisions on the suitability of the Corporation’s compensation policies and practices.

Effective November 1, 2016, the Board adopted a formal policy with respect to the compensation of directors as more fully described under the heading “General Matters – Compensation of Directors”. The Corporate Governance and Compensation Committee reviews the compensation of the CEO annually with a view to ensuring compensation levels are commensurate with such role and responsibilities and ensuring alignment with performance.

TERM LIMITS AND BOARD RENEWALS

The Company does not have a mandatory age for the retirement of directors and has not adopted term limits for directors as it is focused on building a Board with the skills and expertise necessary to provide strong oversight for the Corporation. The Board does recognize that some turnover is beneficial in order to introduce fresh ideas and perspectives, but this must be balanced against the need for directors with increased insight into the Corporation gained over their years of service on the Board.

On an annual basis, the Corporate Governance and Compensation Committee and/or Board considers the current size and composition of the Board and makes decisions, as necessary, regarding changes to its size and/or composition. On its most recent review of such matters, it was recommended that no changes be made to the size and/or composition of the Board at such time.

OTHER BOARD COMMITTEES

In order to efficiently consider and evaluate potential opportunities and transactions for the Corporation in connection with its next phase of development, the Board established a growth strategy committee (the “**Growth Strategy Committee**”) on February 22, 2017. The Growth Strategy Committee’s mandate is to identify growth opportunities and regulatory strategies for the Corporation. G. F. Kym Anthony, Jeffrey Kraws and Paul Mesburis are members of the Growth Strategy Committee.

ASSESSMENTS

In the most recently completed financial year ended October 31, 2020, the Board believes that it and its Committees have performed effectively. The Board has not implemented any formal policy or structure to assess its effectiveness but may do so in the future if it is thought to be in the best interests of the Corporation and its Shareholders.

DIVERSITY ON THE BOARD OF DIRECTORS AND SENIOR MANAGEMENT

The Corporation recognizes and embraces the benefits of having diversity on the Board and in its senior management. The Corporation respects and values, among other things, differences in gender, age, ethnic origin, religion, education, sexual orientation, political belief and disability, and appreciates the benefits arising from Board, management and employee diversity. At the same time, the Corporation also recognizes that Board and senior management appointments must be based on performance, ability and potential. While the Corporation ensures a merit-based competitive process is followed for director and senior management appointments, the Corporation takes diversity considerations into account when identifying, evaluating and recommending director nominees and senior management appointments by monitoring the level of diversity on the Board and in senior management positions and continuing to broaden recruitment efforts to attract and interview diverse candidates when applicable.

The Corporation has not currently adopted a written policy relating to the identification and nomination of: (i) women; (ii) members of visible minorities; (iii) Aboriginal persons; or (iv) persons with disabilities (collectively, the “**Designated Groups**”) on the Board or in senior management positions, as it does not believe that doing so will necessarily result in the identification and selection of the most qualified candidates for these roles.

The Corporate Governance and Compensation Committee and/or Board is responsible for assessing the effectiveness of the process for identifying, evaluating and recommending director nominees. Similarly, with respect to senior management appointments, the Corporate Governance and Compensation Committee and/or the Board is responsible for assessing the effectiveness of the process for identifying, evaluating and appointing senior management.

As of the date of this Circular, for each of the four Designated Groups, the Corporation has not adopted a target number or percentage, or a range of target numbers or percentages, for the members of the group to hold position on the Board or to be members of senior management by a specific date, as it believes that imposing targets based on specific selection criteria would limit the Corporation’s ability to ensure that the overall composition of the Board and senior management meets the needs of the Corporation and its shareholders.

As of the date of this Circular, the Corporation has a total of six directors and four members of senior management (two of which are also directors of the Corporation). The number and proportion of directors and members of senior management who self-identify as being a member of the four Designated Groups are as follows:

Directors

Designated Group⁽¹⁾	Number	Proportion
Women	0	0
Aboriginal Persons	0	0
Persons with Disabilities	0	0

Note:

DEADLINE FOR SHAREHOLDER PROPOSALS

If any person entitled to vote at an annual meeting of the Corporation's Shareholders wishes to propose any matter for consideration at the next annual meeting, in order for such proposal to be considered for inclusion in the materials mailed to Shareholders in respect of such meeting, such proposal must be received by the Corporation no later than 90 days before the anniversary date of the Notice of Meeting.

Pursuant to the terms of the Corporation's By-Law No. 2, any Shareholder wishing to nominate an individual for consideration as a director nominee at the Meeting must follow the process set out in By-Law No. 2 and submit a written nomination no fewer than 30 days prior to the date of the Meeting.

- (a) assist the Board in fulfilling its responsibility to oversee the Corporation's accounting and financial reporting processes and audits of the Corporation's financial statements;
- (b) review the Corporation's financial reports and other financial information, disclosure controls and procedures and internal accounting and financial controls;
- (c) review the Corporation's financial statements, management's discussion and analysis and annual and interim profit or loss press releases before public release;
- (d) recommend to the Board of Directors the appointment of the external auditors, to be approved by the shareholders, compensation, and retention (and where appropriate, replacement) of the external auditors;

- (g) review the Corporation's hiring policies regarding partners, employees and former partners and employees of the present and former external auditor of the Corporation; and
- (h) carry out the specific responsibilities set forth below in furtherance of this stated purpose.

2 COMPOSITION AND TERM

Committee members shall be appointed by the Board, and shall serve at the pleasure of the Board. Any member of the Committee may be removed or replaced at any time by the Board and shall, in any event, cease to be a member of the Committee upon ceasing to be a member of the Board. The Board may designate one member of the Committee as its Chair.

Subject to applicable exemptions available under National Instrument 52-110 *Audit Committees*, as may be amended from time to time (**NI 52-110**), which exemptions include the requirements of a "venture issuer" and the requirements of any stock exchange on which the Corporation's securities are listed and posted for trading:

- (a) the Committee shall be composed of at least three directors; and
- (b) members of the Committee must be:
 - (i) independent; and
 - (ii) financially literate (or become financially literate within a reasonable period of time after his or her appointment to the Committee).

"Independence" shall have the meaning ascribed to such term in NI 52-110. Currently it means that a Committee member has no direct or indirect material relationship with Avivagen, which is a relationship that could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

“Financial literacy” shall have the meaning ascribed to such term in NI 52-110. Currently it means that a Committee member has the ability to read and understand a set of financial statements, including but not limited to the statement of financial position, the statement of comprehensive income or loss, the statement of shareholders’ equity, the statement of cash flow, and the notes to the statements in accordance with International Financial Reporting Standards, and that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation’s financial statements.

3 MANDATE AND RESPONSIBILITIES

The Committee’s role is one of oversight of the integrity of the Corporation’s accounting and financial reporting process, including financial reporting processes, internal controls over financial reporting and disclosure controls procedures. It is recognized that the Corporation’s management is responsible for preparing the financial statements and notes thereto and that the Corporation’s external auditor is ultimately accountable to the Board and the Committee, as representatives of the shareholders and other stakeholders, for providing an audit opinion on the financial statements and notes.

The mandate and responsibilities of the Committee are as follows:

- (a) *Appointment of External auditor.* The Committee shall have direct responsibility for recommending the appointment, compensation, retention (and where appropriate, replacement), and oversight of the work of any accounting firm selected to be the Corporation’s external auditor for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Corporation. Review the performance of the external auditors.
- (b) *Appointment of Chief Financial Officer and Internal Auditor.* The Committee shall participate in the identification of candidates for the positions of Chief Financial Officer and the manager of the Corporation’s internal auditing function, if any, and shall advise management with respect to the decision to hire a particular candidate.
- (c) *Disclosure Controls and Procedures.* The Committee shall review periodically with management the Corporation’s disclosure controls and procedures.
- (d) *Internal Controls.* The Committee shall discuss periodically with management and the external auditor the quality and adequacy of the Corporation’s internal controls and internal auditing procedures, if any, including any significant deficiencies in the design or operation of those controls which could adversely affect the Corporation’s ability to record, process, summarize and report financial data and any fraud, whether or not material, that involves management or other employees who have a significant role in the Corporation’s internal controls. The Committee shall also discuss with the external auditor how the Corporation’s financial systems and controls compare with industry practices.
- (e) *Accounting Policies.* The Committee shall review periodically with management and the external auditor the quality, as well as acceptability, of the Corporation’s accounting policies, and discuss with the external auditor how the Corporation’s accounting policies compare with those in the industry. Discuss with the external auditors the quality and not just the acceptability of the Corporation’s accounting principles including all critical accounting policies used, any alternate treatment of financial information that have been discussed with management, the ramifications of use of such alternative classifications, recognitions, derecognitions, measurements, presentations and disclosures and treatments and the auditor’s preferred treatment, as well as any other material communications with management.
- (f) *Pre-approval of All Audit Services and Permitted Non-Audit Services.* The Committee shall approve, in advance, all audit services and all permitted non-audit services to be provided to the Corporation by the external auditor; provided that any non-audit services performed pursuant to an exception to the pre-approval requirement permitted by applicable securities regulators shall not be deemed unauthorized and as permitted under the rules of professional conduct of the Chartered Professional Accountants of Ontario.
